## B.Ed. Policy: Involuntary Withdrawal

A teacher candidate may be involuntarily withdrawn from a practicum component if the Candidate demonstrates a breach of professional conduct in a practicum placement setting (e.g., seriously disrupting the functioning of the host classroom and/or the well-being of the students in the classroom). After consultation with the Director, the Faculty Advisor, the Principal of the partner school, and the Associate Teacher, this decision will be made by the Teacher Candidate Placement Coordinator. If involuntary withdrawal is invoked for a practicum component of the program, the Candidate may request in writing, through a letter addressed to the Director the opportunity to repeat the component from which he/she was withdrawn. The conditions as stated in the Promotion Policy apply.

(... the Promotion Policy states ...)

Only one repeat per component will be considered. If the repeat of a component is granted, it will be bound to a specific time frame, have clearly described expectations and be subject to additional costs. In the case of an unsuccessful second practicum, the Teacher Candidate may be required to wait one program year before repeating, if granted.
